

The History of ORSA

In November 1994, several local soccer players and their families were interested in finding some way to provide the opportunity for young men and women in Venango County to participate in organized play. This group of parents founded the Franklin Soccer Club, entirely self funded.

That first year, a small team traveled to games in Akron, Ohio, Pittsburgh and Maryland to play in tournaments. The group raised money for soccer balls and uniforms.

In 1995, the group reorganized into the Oil Region Soccer Association, joining the PA West Youth Soccer Association. The organization slowly gained strength and recognition, offering team play in every season and in several age groups. We continue to be a non-profit organization, operating strictly with parent and other volunteers.

ORSA has several goals moving into the 20th season of existence, including continued growth and presence in PA West, the acquisition of more equipment, and playing fields.

Special thanks to:

Cranberry, Oil City, Valley Grove and Franklin School Districts for use of their fields and facilities.

Fall Travel Season 2015

Ages: 6-19 (Birthdate as of 8/1/15)

When: Sundays; August to November

Cost: \$80 plus Uniform fee if necessary

ORSA Needs You!!

ORSA is run strictly through parent and other volunteers, so the organization is always in need of interested participants. As soccer is growing in popularity in this country, so is the interest in our youth. If you are interested in helping to make this great game available to more young people, and think you can help in any way, please contact us. We can use people to act as coaches, assistant coaches, line judges, or officials. Maybe you can help man the concession stand, take shirt orders, help register the players or line the field. We can find a way to use your help if you offer it.

Contact: Shawn Kerr (814) 657-5835
Tom Pfennigwerth (814) 758-7499

Summer Recreational/Developmental Soccer

Includes \$100 worth of Free Gifts!

Coached by British Soccer coaches to bring your game to a whole new level!

Information

The Oil Region Soccer Association provides soccer teams for a variety of ages for boys and girls, and young men and women in Venango County and surrounding areas. A non-profit organization, its teams participate primarily in PA West Youth Soccer competitions in the United States Soccer Federation. Games are played in the Lake District with games from Kinzua to Clarion, Erie to Grove City. Several optional travel tournaments are available in Erie, Ohio, New York and other surrounding states.

Relying on volunteers and parents, ORSA functions year round to provide the opportunity for players to improve their skills and take part in this fun and exciting game. Interested players can participate in any or all of the seasons. Under sanctioned and regulated play, team members gain strength, agility, and soccer skills under the direction of trained and certified coaches. ORSA also offers referee classes periodically to provide training for young people and adults to become officials.
