# **Player Evaluations**

Due to space constraints and field limitations, player assessments might be necessary in the U10 and U12 age groups. For instance, if there are too many players for one team and not enough for 2 teams, then an assessment will be necessary and cuts will have to be made. In all cases, we will attempt to recruit enough players to move to the next number of teams, as we are trying to expand the program and do not want to be forced to make cuts. If evaluations become necessary, all players in the age group will be notified as to the time and location. If the need for assessments arises due to a shortage of coaches, then we will contact the parents in that age group to see if any additional parents with soccer experience can be recruited to make up for the shortage before cuts become necessary. All 6 year old players will need to be evaluated to see if they are adequately prepared for the competition of a travel soccer team. If they are deemed not prepared, they will be referred to our in-house soccer program to improve their skills.

# **Uniform Policy**

All players are required to purchase a uniform for \$30. These uniforms will consist of a jersey, shorts and one pair of socks. Additional uniform pieces can be purchased. A uniform being deemed unacceptable is up to the club and/or coach and will only come in to play if the uniform no longer adequately fits or is unsuitable due to condition. In-House players will receive a jersey included in their registration cost.

# **Practice and Game Fields**

It is expected that all teams will have a regular practice and game fields, but there is always a possibility that the expected field will be unacceptable due to weather conditions. You can expect that fields in Oil City, Cranberry, Franklin and Rocky Grove will be used.

# **Fundraising and Donations**

Multiple fundraisers will be held throughout the season. Because ORSA is a non-profit organization operated strictly on a volunteer basis, it is expected that every family participate in the fundraising efforts. If you are unable or do not wish to participate in fundraising efforts, you can make a donation to the organization.

## Oil Region Soccer Association

### Codes of Conduct

Welcome to the Oil Region Soccer Association! We have confidence that you will be an exceptional representative of our club both on and off of the field. Our club believes that success in soccer requires a commitment from the coaches, parents, and players. It is important that you understand and follow our expectations of the club. Please take the time to review these codes of conduct with your player(s). You will need to sign and return the following page when you register your player(s).

#### **Each Parent/ Guardian is expected to:**

- \* Provide a \$100 check or money order payable to ORSA. This will be held until your 6 volunteer hours are fulfilled as stated in the attached volunteer policy. **You cannot register without this check or money order.**
- \* Have your child to the practices and games on time. Consequences due to tardiness will be handled by the coaches.
- \* Cheer positively for all of the players that are on the team.
- \* Show good sportsmanship during the games. You need to show respect for the officials, all coaches, and all players.

#### **Parent/ Guardian Consequences for failing to meet the expectations:**

- \* If at any time a parent/guardian exhibits negative or abusive behaviors they will be given a verbal warning. If this inappropriate behavior continues, the parent/guardian will be dismissed from the club. If that parent's/guardian's player(s) decide to withdraw from ORSA, any fees will be forfeited to the club.

#### **Each Player is expected to:**

- \* Attend all practices fully equipped with soccer gear.
- \* Be ready to listen to the instructions of coaches, participate in all drills, focus on the game, etc. Consequences due to breaking any rules will be handled by the coaches.
- \* Show respect and good sportsmanship to the coaches, teammates, referees, and parents of ORSA and opposing teams.

#### **Player Consequences for failing to meet the expectations:**

- \* An unexcused absence for missing practice will result in being benched for 10 minutes of the following game.
- \* Any inappropriate behavior will decrease playing time. The amount of time benched is the discretion of coach.

# Volunteer Policy

Beginning spring 2016 ORSA instituted a volunteer policy for players' families, similar to that of Little League. Each season at registration, each family will be required to write a check for \$100 to ORSA that will be held until the season is completed. Each family will be required to perform 6 hours of volunteer work & participate in at least one fundraiser throughout the course of the season in order to have their check returned. A family may choose to have the check cashed immediately & opt out of volunteering & fundraising. If this choice is made, the funds will be deposited to the "fundraising" fund. The \$100 check & the 6 hours of volunteer time will be per family, not per player. The decision has been made to exempt the U17 & U19 groups as they are near the end of the ORSA time & already assist their coaches with many of the tasks that parents & volunteers have to perform for the younger groups.

The following is a list of activities that will qualify as "volunteer activities" for the purposes of meeting the required 6 hours. More can be added, but must be approved by the board or the board President. The hours will be tracked by the head of that activity (i.e., Head coach will track substitute coaches for travel, Head coach for In-house will track volunteers, coaches & people who help with field set-up & tear down).

ALL VOLUNTEER POSITIONS REQUIRE VOLUNTEER CLEARANCES (FREE). NEEDED CLEARANCES ARE P.A.T.C.H. (PA STATE POLICE), CHILDLINE, AND A NOTARIZED AFFIDAVIT (IF YOU HAVE BEEN A RESIDENT OF PA FOR 10 YRS, IF NOT, FURTHER CLEARANCES ARE REQUIRED).

- Head coach or assistant coach (exempt) – 1 each per team (regular season or in-house)
- A regular non-coach assistant for coaches without an assistant coach. This person would assist with weekly practices, but not be required to assist at games and would not require coaching license.
- Substituting for a coach or assistant at practice (this will be tracked for actual hours & must be scheduled with the coach ahead of time)
- Serving as a line judge for games (1 hr per game)
- Field set up & tear down on game days and/or for in-house league
- Mowing (when necessary) & lining (painting or otherwise marking) the fields (must be coordinated with field manager or equipment manager)
- Fundraising (most involves sorting & distributing, but can be expanded to other items as the fundraising chair deems necessary, including sale of 50/50 tickets & working at fundraising events).
- Soliciting sponsorships, donations or grants (must be coordinated with financial chair)
- Board Member (non-exempt – must attend 60% of meetings)
- Assisting with registration (must be coordinated with the Registrar)
- Serving as team manager, handling all team communications for the head coach (must be coordinated with the head coach & must be proficient with group texting & group email)
